

## What is WSUN?

WSUN stands for Wiltshire and Swindon Users' Network.

We work with people to help make services better.

## What do we do?

We help people to have their say about services they get from the NHS, Wiltshire Council and other groups.

We organise meetings and conferences.

We give information about important things like changes in the benefits system.

## Why join WSUN?

It is free.

You can meet people who run the services you use and tell them what you like or do not like.

You can share your views and ideas.

You could help to interview people for jobs in health and social services.

## Who can join WSUN?

Anyone who lives in Wiltshire or Swindon and who uses health or social care services.

## How do I join?

Fill in the form over the page and hand it to a WSUN worker or post it to us.

## I have a question!

Please contact us by phone, letter or email with your question.
